

HEAT PUMP & CENTRAL AIR CONDITIONER

ELIGIBILITY:

- Eligible split system heat pumps, central air conditioners, and package unit heat pumps that meet or exceed current ENERGY STAR standards qualify for a \$300 rebate per unit.
- Eligible mini-split (ductless heat pumps) that meet or exceed current ENERGY STAR standards qualify for a \$300 rebate per qualifying outdoor unit.
- Maximum of 3 heat pump or central air conditioners, 6 per lifetime per premise/location rebates per year.

To confirm the ENERGY STAR certification of a product, look for the ENERGY STAR logo (*sample on back*), visit www.energystar.gov/products/certified-products or e-mail hotline@energystar.gov

HOW TO APPLY:

1. Please read all of the terms and conditions (program guidelines) to ensure that your new ENERGY STAR® appliance qualifies for a rebate.
2. Application must be completed in its entirety.
3. **Please enclose proof of purchase. Copies must be legible to receive the rebate.**
4. Please enclose a copy of the AHRI Certificate for your new unit (AHRI certificate can be requested from the installer of the new equipment).
5. Please save a copy of your application and proof of purchase.
6. Mail your completed application and proof of purchase to:

Appliance Recycling Centers of America, Inc.
ATTN: Order Management/Rebates
 175 Jackson Ave North, Suite 102
 Hopkins, MN 55343

7. Rebate checks will be addressed to the primary account holder listed on the account and will be mailed to the designated mailing address for that account. Please allow 4-6 weeks for processing.
